❖ Jointly Organized by African Studies Center - TUFs and
Kanto branch of Japan Association for African Studies

We will invite Prof. Ahmed Bawa, a former Chief Executive Officer of Universities South Africa (USAf), as a speaker at the 70th ASC Seminar. He currently stays in Japan as a visiting professor of Tokyo College.

COVID-19 pandemic reveals that universities are partly complicit in some social problems such as social inequalities. Prof. Bawa will discuss why it is important for universities, as knowledge-intensive social institutions, to reimagine themselves.
