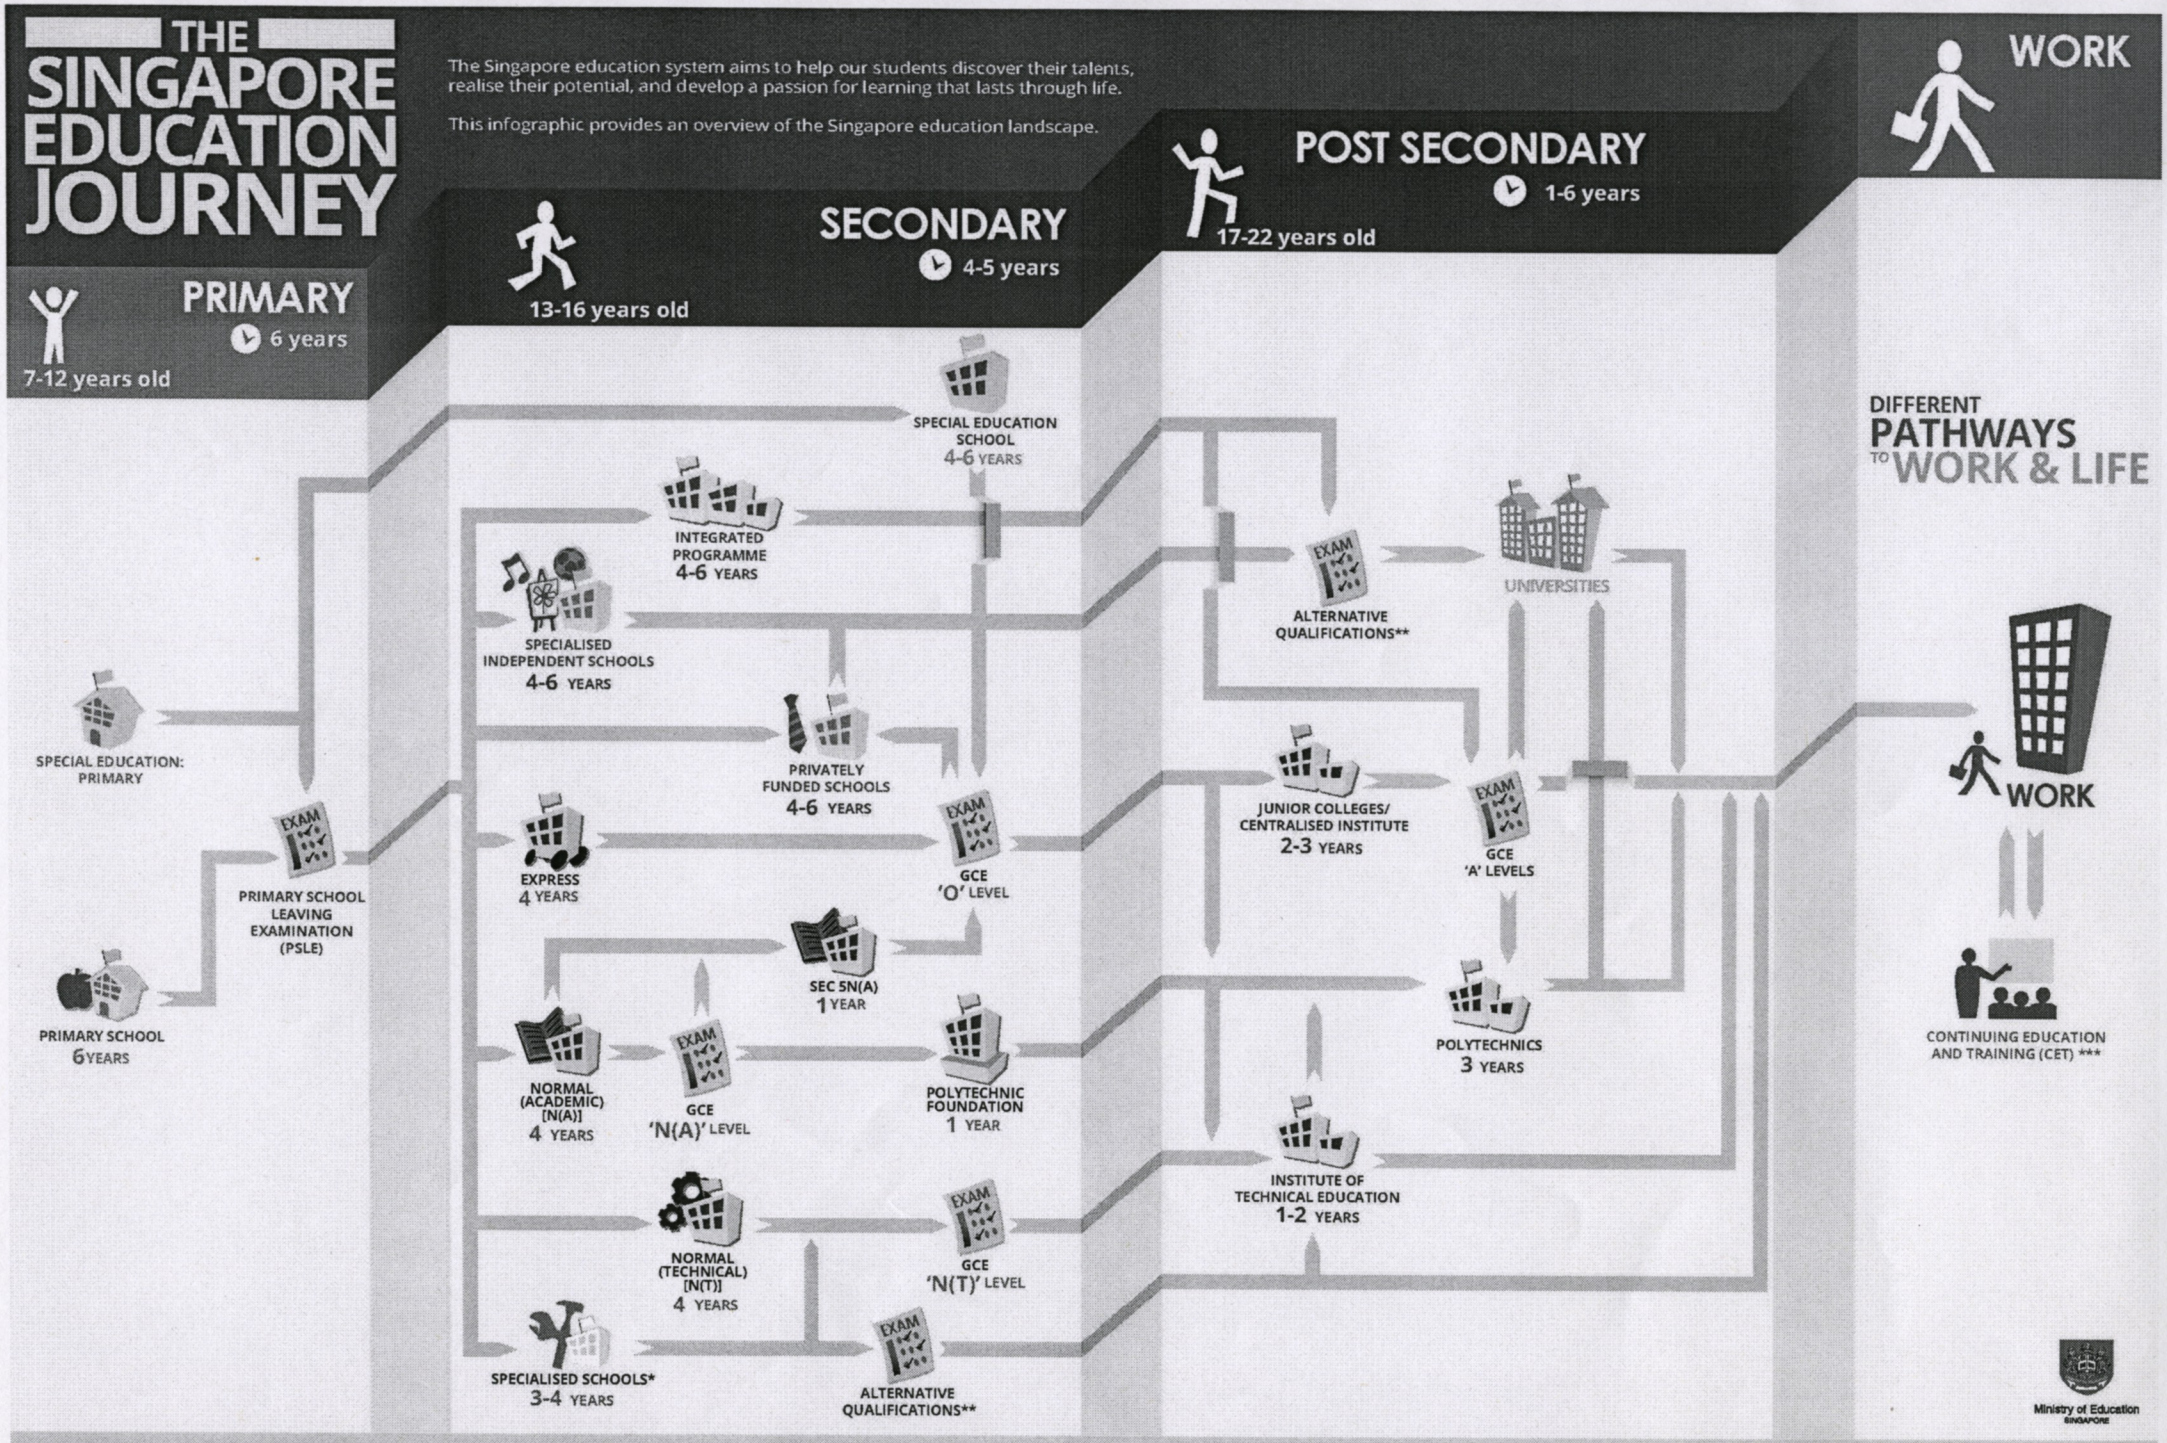
THE SINGAPORE EDUCATION JOURNEY

The Singapore education system aims to help our students discover their talents, realise their potential, and develop a passion for learning that lasts through life.

This infographic provides an overview of the Singapore education landscape.



* **Specialised schools** offer customised programmes for students who are inclined towards hands-on and practical learning. These schools include Northlight School, Assumption Pathway School, Crest Secondary School and Spectra Secondary School, which is due to open in 2014.

** **Alternative Qualifications** refer to qualifications not offered by the majority of mainstream schools in Singapore.

*** **Continuing Education and Training (CET)** is designed for adult learners or companies looking to upgrade the skills and knowledge of their employees.
