36 students, both int'l and Japanese students, returned from the Yamagata Study Tour (Sept. 24-31)!!

They stayed in Sagae, Iide, Shirataka, and Takahata and engaged in farming, surveys on tourism resources, preparing and delivering contents to promote regional development. While maintaining keen awareness, students led a fulfilling 7 days. They will share what they have achieved through this experience.

Please come and experience Yamagata from the Students' perspective!!
