hips

Information Session

HIPS (History in the Public Sphere) is a double-degree master's program jointly organized by our university and Central European University.
Focusing on the field of "History and Memory," the program brings together students from diverse academic backgrounds who study collaboratively while moving between Japan and Europe. Participants aim to earn two master's degrees, one from our university and one from CEU.

- What is a double-degree program?
- What do students study in HIPS?z
- Which destinations are available for study abroad?
