

TUFS actively accepts students with diverse cultural backgrounds from all over the world to nurture professionals with global perspectives who are knowledgeable in languages, cultures, and societies of various regions. There are degree programs at each level that are taught in English or English/Japanese.

## Bachelor's Program

# School of Japan Studies (SJS)

<https://www.tufts.ac.jp/english/education/js/>

## More than just a study of Japan!

The School of Japan Studies offers the opportunity to study and discover Japan comprehensively and from international perspectives. Sharing ideas and learning together with Japanese and international students is a key characteristic of this program. Students can learn and design innovative problem-solving skills for diversified and expanding needs in Japan and the world.

## Academic Fields in SJS
