See it with your own eyes, experience it firsthand, and with the local people, tackle with the challenges the local and Japanese societies face. This summer’s “Study Tour” is scheduled as a one-day preparatory session on July 31(Fri) and 3nights/4 days between Sept. 8 (Tues) – 11 (Fri) to participate in local activities in Yamagata, followed by the debriefing session on Sept. 24 (Thur). (The expense will be explained at the guidance) Students will join the local events, visit the local farmers, exchange with local people, and provide advice to local municipalities based on the surveys conducted. The experience of working together with the local municipalities, people of different nationalities and ages, and the network that can be established will surely be a treasure for you.
