Writing Seminar: IELTS - Task 1

昼休み 11:50 - 12:30

ELCポイント対象

PRESENTER: Dawn Lavelle

Students often are overwhelmed by the information that Task 1 of the IELTS requires. In this seminar, there will be explanations given about how to break down the types of data contained in a graph, chart or table. In addition, you will be expected to use expressions to compare, contrast, summarize and predict future outcomes. We will discuss the following topics:

Bar Graphs/ Line Graphs, Pie Charts, Maps, Tables, Diagrams, and Expressions.

Dawn Lavelle has had many years of experience teaching writing and composition skills in New York City and in Tokyo. This is her sixth year working at TUFS. She received her master's degrees in TESOL and in Instructional Technology from Columbia University.
