

Invitation: The Slovenia Project

We are kindly inviting you to a travel evening with **Mitja Lavtar**, the first person to have travelled to all of the 6036 Slovenian settlements. When Mitja finished visiting all the European countries by the age of 23, he was planning his next adventures. Where to next? Himalayas, Oceania, Latin America? While thinking of exotic destinations, he realized, that he doesn't even know his own country. Therefore he decided to visit it all and take picture in every single village, town and city in his homeland.

After walking, cycling, hitchhiking and driving more than 50.000 km for 5,5 years, he's got a lot of stories to tell. You're welcome to hear some of them as we will be hosting Mitja on:

December 9 at 7:30 pm (JST) / 11:30 am (CET) on Zoom platform.

His presentation will last for an hour, afterwards Mitja will take time for answering your questions and debate about travel in Slovenia.
